Rick—normally when comments are edited, we start with...

Ex. 5 Deliberative Process (DP)

That indicates that it's not the exact question (and some have been really inappropriate and/or actual ethics violations—so we had to paraphrase.)

Hi Ann – We were hoping to get your guidance on responding to this suggestion box CommNet;

What's the status of EPA's transition? As a voting citizen, I clearly ascertain that Biden is the President Elect.

I was thinking about editing the comment to;

Ex. 5 Deliberative Process (DP)

And responding with;

Ex. 5 Deliberative Process (DP)

Thank you.

Rick—one of the suggestion box comments is about who won the election. Can you share the question and your draft response with Ann—I think this one needs to be Ann Coyle'd.
